OUR VISION FORWARD

*"For I know the plans I have for you," says the LORD.
"They are plans for good... to give you a future and a hope."*

- Jeremiah 29:11

It is because of support from the Community, Donors and Volunteers, Salt Lake City Mission is celebrating 25 years of transforming and restoring lives.

It is humbling to be a catalyst in the Salt Lake Region joining elements of the community by bringing hope and compassion to our most defenseless hurting neighbors. Now more than ever, we remain confident and committed to our motto - "Providing real change, not just spare change".

It is our plan to expand the daily operations at our Day Center for the homeless and increase the number of residential beds in our Men's Recovery Program.

This rendering represents the future of Salt Lake City Mission's expansion of residential programming for men and women.

Consider how, **together**, we can reach out and change the lives of more people in the Salt Lake Region and make Utah an even greater place to live for all.

SALT LAKE CITY MISSION

"Providing real change, not just spare change since 1993"

25 Years Of Meeting Their Greatest Needs

ANNUAL REPORT

WELCOME

In early 1993, Rev. Wayne Wilson and Fred Roennbeck opened Salt Lake City Mission (SLCM).

In 1997, SLCM joined the Association of Gospel Rescue Missions (AGRM), and continues to be in good standing, partnering with 300+ rescue missions who are making a difference throughout cities across North America.

Salt Lake City Mission was established to assist the homeless, families living in poverty, and others struggling through adverse circumstances in life. We open our doors to thousands of men, women and children in need of relief.

With help from community partners and caring people, we've grown year after year to continue having a greater impact. We wholeheartedly thank God and our committed supporters over the years. Together, we help provide critical services to precious people in dire straits. We remain fully committed to meet the needs of everyone coming through our doors.

It is vital that we welcome everyone with kindness and consideration who is hurting and show them that there is a better hope for tomorrow. Our mission is to share the Gospel of salvation through Jesus Christ. This message is at the core of everything we do.

We sincerely thank everyone who has opened their hearts in support, partnering to help us reach out with compassion to transform lives in the Salt Lake Region. Through growing support and community partnership, SLCM will continue to fight poverty and touch the lives of many of the most vulnerable men, women, and children.

WHO DO WE HELP?

THE HOMELESS

Through community outreach, Salt Lake City Mission meets the homeless right where they are. Oftentimes that means we are actually on the streets caring for their critical needs, or using our shuttle service to bring the homeless to our Day Center for more personal care in a safe and friendly environment.

FAMILIES WHO ARE STRUGGLING

There are more than 300,000 people in Utah living at, or below, the poverty line. This includes many children. Salt Lake City Mission helps our struggling neighbors from becoming homeless by helping them "make ends meet" by providing: food boxes, clothing, school supplies, furniture/household items, and other necessities. This greatly helps families with low incomes to stretch their budgets.
