

*"providing real change, not just spare change since 1993"*

## OVERVIEW

Salt Lake City Mission is called to help men, women and children in the Salt Lake Region who are caught in the cycles of poverty, homelessness, hopelessness, and dependencies of various kinds. We are called to serve those who need to experience a change in life.

## OUR MISSION

Salt Lake City Mission is a non-profit Inner-City Church based Rescue Mission Ministry. We are called to minister to men, women and children in the Salt Lake Region who are caught in the cycles of poverty, hopelessness, and dependencies of many kinds.

We provide the basic essentials like: food; clothing; blankets; sleeping bags; hygiene items to the homeless and others in need. We have services that assist in crisis intervention and counseling, job counseling and placement, educational assistance; birth certificates & I.D assistance. We offer a residential rehabilitation program to men who are struggling, and those who are desperately in need of a renewed life. We have a daily shuttle service bringing the homeless to our Day Center to seek assistance through the support programs we offer.

We coordinate all of our efforts through networking with other organizations in order to obtain the maximum assistance possible for our clientele. We are committed to help those who are destitute and homeless change their lives, and again become self-sufficient, productive members of society.

Our hope is in the One True God. We pray for those who come to us in need of life change to be transformed through the love and power of Jesus Christ. We offer our available resources and services, and assist everyone with a genuine need, regardless of race, creed, political and or religious affiliation, gender, sexual orientation, disability, ethnicity, age, national origin or religious beliefs.

## OUR HISTORY

Salt Lake City Mission we established in 1993 as a Church/Gospel Rescue Mission by Rev. Wayne Wilson and Fred Roennbeck, Salt Lake City Mission was established to help the homeless and the poor, to provide programs to help others in need become independent, productive members of society through a life centered in Jesus Christ.

In 1997, the Mission joined the Association of Gospel Rescue Missions (A.R.G.M. and formerly known as the International Union of Gospel Missions), and continues to be in good standing in the 300-member organization.

Today, by providing emergency services and long-term recovery programs, the Salt Lake City Mission helps to meet the physical, mental, educational, and spiritual needs of individuals in the greater Salt Lake area.

**In January 2020 marks our 27th year of serving the greater Salt Lake Region.**
